## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Napa Valley College Viticulture & Winery Technology Foundation  
Napa, California

### **Report on Audit of the Financial Statements**

#### ***Opinion***

We have audited the accompanying financial statements of Napa Valley College Viticulture & Winery Technology Foundation (the "Foundation"), as of and for the years then ended June 30, 2025 and 2024, and the related notes to financial statements, which collectively comprise the Foundation's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of June 30, 2025 and 2024, and the changes to its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for one year beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

## ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**NAPA VALLEY COLLEGE VITICULTURE & WINERY TECHNOLOGY FOUNDATION**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2025 AND 2024**

---

**NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES**

**Reporting Entity**

The Napa Valley College Viticulture & Winery Technology Foundation (the "Foundation") was incorporated as a non-profit public corporation for the purpose of promoting and assisting the educational mission of Napa Valley Community College District (the "District"). In fulfilling its mission, the Foundation employees support on campus programs and services in addition to supporting regional business and industry. The Foundation is governed by a Board of Directors and the District President serves as the Foundation Chief Executive Officer and Board Chair.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Basis of Accounting**

The Foundation's policy is to prepare its financial statements on the accrual basis of accounting, consequently, revenues are recognized when earned rather than when cash is received, and certain expenses and purchases of assets are recognized when the obligation is incurred rather than when cash is disbursed.

**Financial Statement Presentation**

The Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Unrestricted net assets include all resources available for use by the Board of Directors and management's discretion in carrying out the activities of the Foundation in accordance with its Bylaws. Temporarily or permanently restricted net assets are only expendable for the purpose specified by the donor or through the passage of time. When a restriction expires (that is, when a stipulated time restriction ends, or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets. Permanently restricted net assets are generally required to be held by the Foundation in perpetuity while the earnings on those assets are available for use by the Foundation to support its activities. Donors can place restrictions on the earnings from permanently restricted contributions at the time the contributions are made or pledged. Fund accounting is not used in the Foundation's financial statement presentation.

**NAPA VALLEY COLLEGE VITICULTURE & WINERY TECHNOLOGY FOUNDATION**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2025 AND 2024**

---

**NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES, (continued)**

**Contributions**

Contributions that are restricted by the donor are reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the revenue is recognized. All other donor restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the existence or nature of any donor restrictions.

Non-cash contributions of goods, materials, and facilities are recorded at the fair value at the date of contribution. Contributed services are recorded at fair value at the date of contribution if they are used to create or enhance a non-financial asset or require specialized skills, are provided by someone possessing those skills, and would have to be purchased by the Foundation if not donated.

**Income Taxes**

The Foundation is a 509(a)(1) publicly supported nonprofit organization that is exempt from income taxes under Section 501(a) and 501(c)(3) of the *Internal Revenue Code* and classified by the Internal Revenue Service as other than a private foundation. The Foundation is also exempt from state franchise or income tax under Section 23701(d) of the *California Revenue and Taxation Code*.

Income that is not related to exempt purposes, less applicable deductions, is subject to federal and state income taxes. The Foundation did not have any net unrelated business income for the year ended June 30, 2025 and 2024. It is management's belief that the Foundation does not hold any uncertain tax positions that would materially impact the financial statements.

**Capital Assets**

The Foundation has not adopted a policy to capitalize asset purchases in conformance with generally accepted accounting principles because the Foundation does not own, nor does it have plans to acquire, property or equipment. The property and equipment used by the Foundation in its operations is owned by the District.

**Deferred Revenue**

Deferred revenue arises when potential revenue does not meet the criteria for recognition in the current period and when resources are received by the Foundation prior to the incurrence of qualifying expenditures. In subsequent periods, when both revenue recognition criteria are met or when the Foundation has a legal claim to the resources, the liability for deferred revenue is removed from the statement of financial position and revenue is recognized.

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2025 AND 2024**

---

**NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES, (continued)**

**Cash and Cash Equivalents**

The Foundation considers cash and cash equivalents to include cash in commercial checking accounts and demand deposits in money market funds that are used for operational purposes. Cash and cash equivalents exclude highly-liquid investments restricted for endowment, which are instead reported as investments. Cash and cash equivalent balances, at times, may be in excess of the Federal Deposit Insurance Corporation insurance limit of \$250,000.

**Investments**

The Foundation's method of accounting for investments is the fair value method. Fair value is determined by published quotes when they are readily available. Adjustments to fair values are included in the accompanying statement of financial position and statement of activities.

**Allocation of Functional Expenses**

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities and changes in net assets. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. Personnel costs and occupancy expenses are allocated based on time and effort. The financial statements also report categories of expenses that are attributed to program service activities or supporting services activities. These expenses are generally directly attributable to a functional category with no significant allocations between program service activities and supporting service activities occurring.

**Net Assets**

Net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Foundation and changes therein are classified as follows:

- *Net assets without donor restrictions:* Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Foundation. The Foundation's board may designate assets without restrictions for specific operational purpose from time to time.
- *Net assets with donor restrictions:* Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Foundation or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

**NOTES TO FINANCIAL STATEMENTS**

**NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES, (continued)**

**Accounts Receivable**

Accounts receivable consist primarily of noninterest-bearing amounts due for services performed. The Foundation does not consider that the allowance for doubtful accounts is necessary as management believes all receivables are collectible. Uncollectible receivable will be written off in the year it deemed uncollectible. As of June 30, 2025 and 2024, no amounts were written off.

**Accounts Payable**

All payables are reported as liabilities in the Statements of Financial Position. In general, all payables, once incurred, are paid in a timely manner and in full from current financial resources are reported as obligations of the Foundation.

**Inventory**

Inventory consists of wine held for sale and wine that has yet to be bottled. The Foundation inventory is listed at market value. The cost is recorded as an expense as the inventory is sold.

**Due to Grantor Governments**

Due to represents payables to the district or vendors for their respected invoices amounts.

**Fair Value Measurements**

The Fair Value Measurements Topic of the *FASB Accounting Standards Codification* establishes a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**NAPA VALLEY COLLEGE VITICULTURE & WINERY TECHNOLOGY FOUNDATION**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2025 AND 2024**

---

**NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES, (continued)**

**Fair Value Measurements, continued**

A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

As of June 30, 2025 and 2024, the Foundation did not have any assets or liabilities subject to fair value measurements.

**NOTE 2 – LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS**

The following reflects the Foundation’s financial assets as of the statement of financial position date, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the statement of financial position date. Amounts not available include amounts set aside for program services that could be drawn upon if the Board of Directors approves that action.

**NOTE 7 – RELATED PARTIES**

As described in Note 1, the Foundation is a supporting organization of the District; therefore, transactions between the Foundation and the District, District personnel, students at the College, and programs of the College, are expected. Per the Foundation’s Bylaws, the District President is responsible for Foundation operations and District personnel serve in ex-officio and voting capacities on the Foundation’s Board.

The Foundation was further supported by the involvement of District personnel in the Foundation’s events and programs. District staff has calculated the dollar value of the involvement of District personnel in Foundation operations. The amount calculated for the Foundation as of June 30, 2025 was \$146,440 and June 30, 2024 was \$83,430.

**NOTE 8 – SUBSEQUENT EVENTS**

The Foundation’s management evaluated subsequent events from June 30, 2025 through December 8, 2025, the date the financial statements were issued. The District concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statement.
