Our Values: Family, compassion, commitment, enthusiasm, flexibility, character and social responsibility- drive the work that we do every day, at all our campuses. These values are integrated into every area of the company's operations and they serve as the foundation of the programs and services we provide. We are deeply committed to creating a positive impact on society and the environment.

We are excited to announce that we are **opening a new program in Santa Rosa, Sonoma County Healing Center**, a 16-bed Psychiatric Health Facility (PHF) and we are looking for compassionate professionals like you to help build a new team to serve our community and clients.

Our Opportunity: The Licensed Vocational Nurse (LVN), Licensed Psychiatric Technician (LPT), Registered Nurse (RN) is a member of the interdisciplinary team that supports the people we serve in their recovery journey. The licensed nurse provides nursing care to the clients in the areas of treatment planning, medication administration, assessments, and support according to physicians' orders and applicable client care standards, within their scope of practice.

Qualifications:

- Current licensure in California as a RN, LPT or LVN
- Knowledge of general nursing theory and practice.
- Ability to work cooperatively with other staff members.
- Current CPR and first aid certifications.
- Previous experience in mental health nursing preferred.
- Knowledge of DBT, WRAP and Psychosocial Rehabilitation Principles preferred

*"These are the best days of my life.
Crestwood is helping in my recovery
and the staff treats me with respect and
makes me feel safe."*
