

STARFISH EARLY ALERT

What are **Kudos**, **To Dos**, **Flags**, & **Referrals**?

Kudos

When you want to recognize a student for their improvement or great work, use Starfish to send a Kudo (positive reinforcement) celebrating their efforts.

To Dos

If students need to complete work or tasks, send a Starfish "to do."

Flags "Nudges"

If a student begins to struggle, you can send the student a nudge (early warning) in Starfish to notify them at the very first sign of getting off track.

Referrals

When students require assistance outside of the classroom, you can use Starfish to initiate referrals to institutional resources such as counseling.
